Projects

Hospital Management System | Flask, Vue.js, JWT, Scikit-learn | [Project Link](#)

- Collaborated with a team to build a full-stack HMS (Flask, Vue.js, JWT) with role-based access for 3 user roles (admin/doctor/patient), handling 47 API endpoints
- Trained ML models for disease prediction, readmission risk, and no-show prediction, achieving 82% accuracy on held-out test data

AI-Powered Video Conferencing Platform | React.js, Node.js, Express.js, Socket.IO, Prisma | (In Progress)

- Shipped JWT-based authentication, meeting creation, and invitation management for a full-stack video conferencing platform (React.js, Node.js, Express.js, Prisma)
- Implementing real-time participant collaboration via Socket.IO and WebRTC; building AI-powered meeting summarization and action-item extraction (in progress)

Quiz Management System | Python, Flask, MySQL, HTML/CSS | [Project Link](#)

- Built a solo full-stack quiz platform (Flask, MySQL) with session-based auth and role-based access across ~22 routes, supporting a 4-level content hierarchy (subjects, chapters, quizzes, questions) with full CRUD and cross-level search
- Built a quiz-taking engine with per-question navigation, one-attempt-per-user enforcement, and automatic scoring

PDF to PowerPoint Summarizer | Python, Streamlit, SpaCy, KMeans, PyPDF2, python-pptx | [Project Link](#)

- Collaborated with a team of 4 to build a Streamlit tool using SpaCy (NLP) and KMeans clustering to convert PDF text into structured, topic-clustered PowerPoint decks via python-pptx
- Processed 50 documents / reduced manual summarization time

Achievements

- Diploma in Programming and Data Science from **Indian Institute of Technology-Madras**.

Co-Curricular

• **President – FREE SOFTWARE WING Club, GRIET College** (2025-2026)

- Directed a 35-member technical team, driving large-scale event planning, operations, and Community engagement.
- Managed a ₹4L budget to successfully execute VIVITSU'26, a national-level 24-hour hackathon, leading sponsorship acquisition, cross-team coordination, and large-scale participant management.

• **Vice-President – STREET CAUSE, GRIET College** (2025-2026)

- Managed a team of 40+ volunteers, coordinating and executing multiple community social service initiatives
